OUR RECRUITMENT PROCEDURE

APPROACH

To begin the work, the employer and Yusho Corporation are executing an agency agreement between them stating all the terms and conditions in regards to the supply of manpower from India. The Agreement should be signed by both the parties. On Receipt of the demand from the employer, we analyze the requirements in details.

TECHNICAL CONSULTATION TRAINING

We begin by investing time with the client to gain a profound understanding of their organizational priorities, culture, and specific requirements for the position. This consultation is crucial as it forms the foundation of our recruitment strategy.

SOURCING

We search the required categories from our database/Headhunting/Job Portals social media platforms We also flash the advertisement in job portals and receive the applications through email or post. If needed or on client demand we publish the categories in leading newspapers to get the fast response.

SKILL ENHANCEMENT

Our team first pre-screens / Shortlist the applications and then we will forward it to the client for their review and consideration.

TRADE TEST

We arrange Face to Face interview of short-listed candidates with the client and for technicians we arrange trade test centre.

SERVICES

After selection of the candidates, & receipt of visa documents (E-Vakala, Demand letter, Power Of Attorney, Employment Agreement) and provisional offer letter from the company first then we will get the acceptance of the candidate, and then we immediately send him for medical check-up and after that for degree attestation if required. Our Recruitment team is closely monitoring the status of the candidate, Once a candidate submits all required documents, we facilitate the passport processing for visa endorsement at the respective consulate in Mumbai & Delhi

RECRUITMENT CAMPAIGN FOR NEW PLANTS IN JEDDAH

For the start up phase of the two plants in Jeddah, and in order to go in line with our Saudization strategy, A substantial number of Saudi employees were hired. Due to product nature, and the non availability of some job skills lockely, corporate HR and GRP/PE technical team under the leadership of Mr. Abdulrahman Al-Ruhaiem deputied to India & Philippines. The other accompanied members of this team were Mr. Assim Al-Hakim, Mr. Ahmed Abdul Al-Hadi & Mr. Ahmed Al-Arif.

Several candidates for the required positions in the two upcoming plants for GRP & PE in the Western Province were interviewed by the team at

Bombay & Manila. After screening with the expertise of their experience quality workers were selected for both the upcoming projects.

The team appreciated the efforts of Mr. Yusuf Patni, Vice President of Yusho Corporation and their staff members in Bombay for excellent arrangements in providing the skilled and best quality of manpower from India. Also, IPMS in Manila, Philippines under Mr. Hernandez extend their full cooperation to procure the quality of Manpower.
